Verse 1

Iâ€™ll kill you softly like Lauren in her prime â€œBâ€”
Iâ€™m devious ill home wreck you and take yo good
looking dime piece
You donâ€™t believe me I never been a back downer
Master my song so I can make my whole track louder
Look son you have the image like kaleidoscopes
I see do many of you I donâ€™t know which ones a joke
My ambitions as a rider got me fending for the more
I aint even started yet dog I just hit the core
I make it blunt like a smoker rolling one
If you got yourself some then the war has begun
Voted most likely to be a punk and run
But naw im giving you extra and then some
Now tell me who wanted with the don thatâ€™s me the
I.M.P.U.L.S.E
Yea thatâ€™s me, im gone tell you right now all this gone
cease
Why? Because you know im uh beast(YEA YEA YEA
YEA!!)

Hook

Hard lyrics that you know I kill (YEA!!!)
Fake rappers off that aint real (YEA!!!)

And donâ€™t ask me no questions why (WHY WHY WHY?)
Because you know that Iâ€™m a beast

Verse 2

No itchy no itchy lets get back again
I use to break pens but now with my lyrics I break mens
Down to there sizes little girls they can be
But they cant be one thing and that be me
Look kid u bouts to get killed quicker
Then a fake rapper who you know cant speaks real
Make and impact like digital age
Tell yo girlfriends how many girls you paid to cheat
Donâ€™t trip I aint saying no names
Thatâ€™s just some guilt that you have to live with for the
rest of your days
You know who you are dog you playin all jolly
You aint king of the hill and you know your name aint
bobby

I spread quick just like the bubonic
This is a real song dog this electronic
im gone tell you right now all this gone cease
Why? Because you know im uh beast(YEA YEA YEA
YEA!!)

Hook 2x then end
