Spontaneous Feat. Juliano

Verse 1

She's like the best thing that I never knew I needed  
She got my foot off the ground so I'm feeling  
orthopedic

Call up Juliano says man you gotta see this  
My heart is in one spot I can't even believe this  
Thee around uh way girl that LL talked about  
Word to mouth I chopped it up

I got her number took her out

It was a nice little outing something gentleman talk  
about

As if I loved how she was spontaneously busting out  
AHH!

[Hook] 2x

Everything we do, everywhere we go  
I enjoy your company you know I love you so  
She so she so spontaneous my spontaneous my  
spontaneous  
girl

Verse 2 Juliano

yo, i might be singing on the hook but I love the  
single life. I like to go out,

I like to go party, take double shots of patron and  
Bacardi! Baby if you tryna

Reach me on my cellphone at this hour all Im gonna  
hear  
ismy ringtone. You so

Random, poppin up like bubble gum all up in the club  
tryna ruin my fun, while Im

Getting my jersey shore fist pump on. I don't like'em  
cheesy or to greazy like my

Easy mac, you can be spontaneous with another but not  
this cat ahhhh!

[Hook] 2x

Seeing my potential yea that's what I call her but I  
never call her  
As if she was a call girl  
Making this out to be an autograph statement  
Public service announcement  
(Juliano) My Spontaneous Girl!!!!  
I never met a girl as spontaneous until now  
You that girl from the past the future until now  
Its obvious that im into you and your into me  
Lest take a trip to Nintendo and make me and you a wii  
(YEA)

[Hook]2x  
Harmony until the end
