"Start The Bleeding"

Visit "[Start The Bleeding](#)" on MotoLyrics.com

I kill humans
I inhale their souls
I kill humans
I consume the livin'

This world shall be beaten
weakies - peace is no more
cause your fucking'savior
hasn't reborn yet
he hasn't reborn yet
he hasn't reborn

Now the hate that grew in me
starts the everlasting bleeding!

I start the bleeding !!
With my hawks head
I peek in the eyes of Jesus
I flap my wings
in the face of Mohammed
with my claws
I tear out the flesh of the indian
and the buddhist mongul din

I start the bleeding

I kill humans
I inhale their souls
I kill humans
I consume the livin'
