you supreme illnatured  
flesh may fade away  
blessed are the intrepid

Gaze into the emptiness  
illnatured human being  
walk behind the barriers

You call the names  
written in infinity  
to you they shall aparture  
the secrets buried  
that buried deep  
in malevolence  
that buried deep  
in malevolence

Cast out the blind  
away with the gods so insignificant  
Banish the blind  
all answers you'll find  
The answers you'll find  
all born of purgatory  
is the hot steam that flows  
and the focus of calamity  
that may enlight  
the spirit of the arcane  
devil who reached the abyss  
our grave full of pain

Cast your flaming spell  
you supreme illnatured  
flesh may fade away  
blessed are the intrepid

You call the names  
written in infinity  
to you they shall aparture

the secrets buried  
that buried deep  
in malevolence  
that buried deep  
in malevolence
