I like the way you move shake the body down to the floor

Tenu kiwe dasa main kudiye ni meri ae tu

Kadd ke tu dil sade seenay cho ve laigi ae tu

Kasame khudaye billo kudiye qayamat hai tu

Bulla te lip gloss ankhian ne klashnikov

Diesel di jean paake laayian jutiyan jimmy choo's

Takdi mainu roz kargi sanu behosh

Mere tu style de ae aaja cheti sade kol

Bounce billo bounce billo bouce all along - 4 times

Bouce all night long ..

Bounce billo bounce billo bouce all night long - 4 times

Mukhda tera chaunca ambh lagdi tu sanu bomb

Mithi muskaan teri chamkan tere moti daand

Hilda tera ik ik ang dil nu pendi hai thand

Jado chankawe wang ho jawa main mast malang

I like the way you move shake the body down to the floor

Tenu kiwe dasa main kudiye ni meri ae tu

Kadd ke tu dil sade seenay cho ve laigi ae tu

Kasame khudaye billo kudiye qayamat hai tu ..

Bounce billo bounce billo bounce all night long - 4 times

Bum bum bum .. bounce all night long .. all night long
