[chorus:]

All the ladies wearing strings
Clap your hands
And if you wanna get naughty
Clap your hands
So all the fellas put in work
And the ladies make it twurk
If you came to get it crunk
Clap your hands
It's eleven o'clock and
You're already out
Gotta get your crew together
And all go out
There's a party somewhere
That goes all night
And vip is gonna be there
So you gotta look tight
There's gonna be sexy
Hicanas and americans
Even some from china
And some from japan
You know the party is jumpin'
And the beat is bumpin'
So everybody
Get your freak on

[1:]

Ladies feel a rise
When you start to grind
G-string in the middle
With your big behind
She be switchin' them hips

From right to left
We gone dance all night
Till we run out of breath

[repeat chorus twice]

The place is already packed
At a quarter past three

Girlies with they
Mini skirts and fly bodies
Ladies dancin' so hard
The fellas wantin' more
And it's gettin' kinda nasty
On the dance floor
The dj's spinnin' the cuts
On the one's and two's
So many women around
And so many dudes
You know the partys jumpin'
And the beat is bumpin'
So everybody
Get your swerve on

[repeat 2]
[repeat chorus twice]
[repeat 2]
[repeat chorus five times]

Imx, platinum status
Say what say what
If you came to
Get it crunk
Clap your hands
