[Chorus 2x]

The feelings on
To the break of dawn
The party's on
Lover's groove

[Rap 1: Romeo]

Let me take you on a ride
To a place where the ladies freak yo mind
Only Romeo knows where the honeys go
And I got the freak of the week
Let me take you to the love land
Where feeling's right and the girls look tight
Cuz there's nothing else to do on this crazy filled night
Nothing else to do on this crazy filled night

[Verse 1: Batman]

The sun is shinin
The girls are fly
The lovers around
Well well
Everybody's on the street doing the freak
Doin the freak
Baby freak with me
In the lovers land

[Chorus 2x]

[Rap 2: Romeo]

So I'm feelin high right
I got the vibe you got the vibe
Freaks come out at night so get your groove on
Party all night long
So I got the freak with the big ole butt
I got nothin but love for you baby
So let ride
To the lover's groove

[Verse 2: Batman]

The beat is creepin
Real fly flava

A crazy cray vibe
All the lovers out tonight well well
Bodies shakin
Love makin
To the lover's groove
Where you can kick it

[Chorus 2x]

Unh yeah this how we do it
Unh yeah with all the lovers in the lovers land
