Najradsej spim,  
a letim nad oblaky,  
spim,  
a vidim psiky, vlky, byky, vtaky,  
spim, a svet je pestroraky,  
spim, a je mi fajn,  
tak naco vstavat,  
stupat, cakat pad,  
naco vstavat, nespacov sa bat.  
A tak spim,  
a citim zvladne chute, farby, vone.  
Spim, a sniva sa mi o mne,  
spim, viem ze to nema koniec,

spim, a je mi fajn,  
tak naco vstavat,  
stupat, cakat pad,  
naco vstavat,  
nespacov sa bat,  
naco vstavat, skusat, klesat, stat,  
naco vstavat, nespacov sa bat.
