Stop, look and listen, new chick on the block
Pop this, so sick, average chick, I'm not
My mouth's dry at the site of sexy miss
Hit the door lookin' for my niggas IMx

Up in the club poppin' tops on the bubbly
At the bar spot Bat, Romeo and LDB
The club is pack ohh shh, they are playin' my jam
A lot of thong wearin' chickens just clappin' their hands

Hey yo, is this a party tonight?
We gotta get my peoplz in the club tonight
Ain't no shh going down just love tonight
To all my ladies and thugs on the floor tonight

Hey yo, if your feelin' me
Throw your hands in the air and represent with me
Chrisstyle, Belve and Hennessey
So bartender can you please keep the cups flowin'

Ladies feel the rise when they start to grind
G-string in the middle with a big behind
She be switching them hips from right to left
We gonna dance all night until we run outta breath

Hey yo, look at the shorty she's a lil cuttie yo
The way she shakes it make you want to grab the booty
yo
As I'm rubbing on them thighs why she beggin' for mo
This girls butt is so big I'm 'bout to lose control

If you came to get it crunk clap your hands
And all the fellas and shorties clap your hands
So all the playas put in the work and my ladies make it
twurk
And if you came to get it crunk clap your hands

Oh, all the ladies wearing strings clap your hands
Just doing big things just clap, clap
All the playas put in the work and my ladies make it
twurk
And if you came to get it crunk clap your hands

Hey yo, it's a party in here?
Everybody is havin' a good time in here
Americans, Asians, and Chicanos in here
Big ballerz, big pimpin', VIP in here

Hey you, if you're feelin' me
Throw your hands in the air and represent with me
Chrisstyle, Belve and Hennessey
So bartender can you please keep the cups flowin'

Ladies feel the raise when they start to grind
G-string in the middle with a big behind
Keep switching them hips from right to left

Hey yo, look at the shorty she's a lil cuttie yo

Platinum Status got that blazin' shh
Heard the track and said you gotta let me lace that shh
In result hot joint called clap your hands
If they were down for the count then guess again

Staring like you never seen no real ballerz befo
S-5, escalate, drop tops to your cage
Label change, changing names, now they are back
running things
No more immature shh they done step up the game

Ladies feel the raise when they start to grind
G-string in the middle with a big behind
Keep switching them hips from right to left
We gonna dance all night until we run outta breath

Look at the shorty she's a lil cuttie yo
