[Romeo speaks]

Yeah Uh, Uh, Um, Um, I mean  
I was trying to make things work between us  
You know just Trying to be a good man  
Just trying to be by your side

First of all,(I called you day after day)  
First of all,(I mean I wrote you letter after letter damn)  
First of all,(But U know now I found someone else)  
You kept trippin Now there's someone else

Never wanted this be  
Just thought I let you know  
That Im letting you go (letting you go)  
I was down on bending knee  
Said you didn't want me know mo  
I tried everything that I could  
To change your thoughts about me (if only you could see)  
That Im the best man for you but  
You figured out to late  
Now I got to skate  
And Im telling you

[Chorus]

First of all,(I called you day after day babe)  
First of all,(I wrote you letters after letters)  
First of all,(please understand that I've tried)  
You kept trippin  
Now there's someone else

First of all,(I called you day after day girl day after day girl)  
First of all,(I sent you letters after letters)  
First of all,(please understand that I've tried)  
You kept trippin  
Now there's someone else  
I think it's time you finally see (see)  
That all I ever wanted was it to be you and me  
Love I gave you didn't receive  
Maybe it's that you couldn't handle me  
Then I finally met someone else

Women who really completes me  
Now you try to come back now  
But your just a few seconds late  
Cause now I gotta skate

[Chorus2x]

First of all,(I called you day after day babe)  
First of all,(I sent you letters after letter)  
First of all,(please understand that I've tried)  
You kept trippin  
Now there's someone else

First of all,(I called you day after day babe)  
First of all,(I sent you letters after letters girl)  
First of all,(please understand that I've tried)  
You kept trippin  
Now there's someone else
