friends come a dime a dozen?????  
oooooh  
and i know that i'll never find a friend like you  
ooooooh  
and that's why i wanna sing this song..wherever you  
are  
oooo never  
i will never lie again  
and i just wanna let you know that i will never lie to you  
again  
ooooh  
i will never lie again  
i promise...

-chorus-

i will never lie again (oooooh oohh yeah)  
cause you'll always be my friend (you'll will always be)  
i will never lie again (i will never lie)  
cause a friend like you can last forever

i'm sitting in my window  
i'm thinking of you  
and all the fun things we used to do  
i feel the pain, please come back to me  
cause a friend like you will only come once in a lifetime

-chorus-

i will never lie again (i will never lie again ooh)  
cause you'll always be my friend (you'll always be my  
friend)  
i will never lie again (i will never i will never lie)  
cause a friend like you can last forever (last forever)

on the phone, when you were here  
laughing and joking, crying and soaking  
in my dreams you're still with me  
cause a friend like you will only come once in a lifetime

-chorus-

i will never lie again (i will never lie)  
cause you'll always be my friend (you will always be my  
friend)

i will never lie again (i will never never lie)  
cause a friend like you can last forever (last forever)

when i think of you i think of someone special  
and how it used to be  
you'll always be my friend  
im so sad (so sad so sad) it had to end (ohh yea baby)

-chorus-

i will never lie again (i don't wanna lie to you girl)  
cause you'll always be my friend (come back to me  
come back i love you)  
i will never lie again (i don't wanna lie)  
cause a friend like you can last forever (a friend like  
you can last forever)

-Chorus- (repeat till end)
