Intro (Romeo Speaking)

Yeah I'm so tired of seeing you like this
All stressed out, don't know what to do
I know, I'm everything that you want and you need
So why you staying with him
When you need to be with me
Ya know, well hey listen up

Verse 1

What did he do?
What did he say?
To make you feel this way
No way, no how
He didn't love you in the first place
(He didn't love you, no, no, no)
He must have been foolish
To let a love like yours slip away
So wonderful and so beautiful
He would never know, oh no, oh no

Chorus

What would it take to make you leave?
Cause he's not really what you need
So go on and tell him that you wanna be with me
You're going in and out of love
Girl you had about enough
So i don't know what to do
Cuz im so in love with you
Girl don't'chu know

Verse 2

Come on and let me take your hand
Let me take you far away from here
So your tired of him so try my love
So you want a real man well im the one
