Ohh, Oh baby
One last chance I'll treat you right
One last chance I'll do no wrong
One last chance I'll show you my heart

I feel the pain running down my spine
Won't get no better till your back in my life
Must be with you all the time
I figured out what's been quite a fight

If you gave me one last chance I'll treat you right
If you gave me one last chance I'll do no wrong
If you gave me one last chance I'll show you my heart
And I'll love you till the end

My shoulders here to cry on when your sad
How long my love for you can't go back
And when you cry, my heart can't lie
I know I want you by my side
Oh baby

If you gave me one last chance I'll treat you right
If you gave me one last chance I'll do no wrong
If you gave me one last chance I'll show you my heart
And I'll love you till the end

[talking]

Yeah I don't know what I'd do without you girl
I must have need you in my life
If you give me one more chance
I promise, I'll love you forever
Come back to me

If you gave me one last chance I'll treat you right
If you gave me one last chance I'll do no wrong
If you gave me one last chance I'll show you my heart
And I'll love you till the end
