Strange zoo, strange blaze douse my head in flames

Coming through got to get some, happiness is a bad
son

Forceps kitchen tools deconstruct your every move

Feel better when youre here, guillotine just got here

Back bend, back break, please yourself to make it rate

Live it all at your own cost so many just got lost

Leaning for fire, leaning to fire, leaning to fire

Heres tomorrow man, best of my ability

Chasing what I can, heres tomorrow man

Instinct, bare boned, light it up, take it home

You will be all things, youll get what you bring

Leaning to fire, leaning to fire, leaning to fire

Heres tomorrow man, best of my civility, chasing
watercans

Heres tomorrow man, best of my ability, chasing
waterans

Heres tomorrow man, heres tomorrow man

With our own tongue, with our own tongue

Heres tomorrow man, best of my ability, chasing
watercans

Heres tomorrow man, end of century, chasing
watercans

Heres tomorrow man, heres tomorrow man

Heres tomorrow man, heres tomorrow man
