Wanted to buy you shiny red things  
Thought I'd be with you all till the end  
How did I know that I would be there  
Blow me away, see if I care

Death of a future, goodbye to my friends  
Wish I could see you all again  
Family hollow, family real  
Wish you were here, see how I feel

Oh, kill a man  
Oh, kill a girl  
Oh, kill a man  
Oh, kill a girl  
Oh, kill a man  
Oh, kill a girl

Jekyll in you brings out the wired in me  
I have no defense, I'm all that you see  
The night is a bomb blast, the night is on fire  
Sing with me in the gasoline fire

Oh, kill a man  
Oh, kill a girl  
Oh, kill a man  
Oh, kill a girl  
Oh, kill a man  
Oh, kill a girl  
Oh, kill a man  
Oh, kill a girl

Oh, kill a man  
Oh, kill a girl  
I killed a man  
I killed a man  
I killed a man  
I killed a man

And you say you want to change our minds  
I've paid for your belief with mine  
Of all the bravest stands in time  
You stoop so low you'll never rise
