Love and hate. get it wrong, she'll cut me riht back  
down to size.  
sleep the day, let it fade, who was there to take your  
place?  
no one knows never will, mostly me and mostly you.  
do you say, do you do, when it all comes down?

cuz I don't wanna come back down from this cloud  
it's taken me all this time to find out what i need. yeah,  
yeah, yeah  
I don't wanna come back down from this could,  
it's taken me all this, all this time.

there is no blame, only shame. when you beg you just  
complain.  
the more I come, The more i try.  
all police are paranoid. so am i, so's the future.  
so are you .....

do you say, do you do, whenm it all comes down.
