Love and hate get it wrong
She cut me right back down to size
Sleep the day let it fade
Who was there to take your place
No one knows never will
Mostly me but mostly you
What do you say do you do
When it all comes down
Cause i don't want to come back down from this cloud
It's taken me all this time to find out what i need yeah
I don't want to come back down from this cloud
It's taken me all this all this time
There is no blame only shame
When you beg you just complain
The more i come the more i try
All police are paranoid
So am i so's the future
So are you be a creature
What do you say do you do
When it all comes down
Cause i don't want to come back down from this cloud
It's taken me all this time to find out what i need yeah
yeah yeah
I don't want to come back down from this cloud
It's taken me all this all this time
Shoot up, shoot up, shoot up you're high
Love and hate get it wrong
She cut me right down to size
Sleep the day let it fade
Who was there to take your place
No one knows never will
Mostly me but mostly you
What do you say do ya do
When it all comes down
Cause i don't want to come back down from this cloud
It's taken me all this time to find out what i need yeah
yeah yeah
I don't want to come back down from this cloud
It's taken me all this all this time
Why did you (9x)
Comedown
I don't want to come back down from this cloud

This cloud (8x)
