i never thought i'd get away  
cause all there is is fading fast today  
maybe you sleep well in your head  
bring on the night let the cold moon burn  
instead  
cause i'm gonna find my way to the sun  
if i destroy myself  
swallowing habits die real hard  
and the coat she wore could not conceal  
the scars  
beneath the magic of her lace  
are a thousand lonely faces she can't  
place  
cos i'm gonna find my way to the sun  
if i destroy myself  
i can shine on  
i'm gonna find my way to the sun

when i destroy myself  
i can shine on  
shine  
sooner or later maturbate or lose  
stationary west way running from the view  
in true the self destructive veins  
we have found a way to keep the gifts that  
maims  
cause i'm gonna find my way to the sun  
if i destroy myself i can move on  
i'm gonna find my way to the sun  
if i destroy myself i can shine on  
shine  
i'm gonna find my way to the sun  
if i destroy myself i can shine on  
shine
