it must be something in the weed.  
to make me find another lover.  
should i fly to los angeles, and find my ass hole  
brother?  
mickey mouse has grown up a cow. the day is all said  
again.  
kiss kiss in the rear view. so bored, you're to blame.

trust you once my way. everything zen. everything zen.  
i don't think so.  
everything zen, everything zen. i don't think so.

rain dogs howl for the century. a million dollars at  
steak.  
as you search for your demi-god. and you think we're  
the saint.  
there's no sex in your violence. there's no sex in your  
violence.  
there's no sex in your violence. there;s no sex in your  
violence.

trust you once my way. everything zen everything zen.  
i don't think so.

i don't believe that elvis is dead, yeah.  
i don't believe that elvis is dead.  
i don't believe that elvis is dead, yeah.  
i don't believe that elvis is, elvis is...

there's no sex in your violence, there's no sex in your  
violence.  
trust me once my way. everything zen, everything zen.  
i don't thnik so.
