Must be your skin that I'm sinkin in  
Must be for real, cause now I can feel  
I didn't mind  
It's not my kind  
Not my time to wonder why  
Everything's gone white  
And everything's grey  
Now your here now your away  
I don't want this  
Remember that  
I'll never forget where your at.  
Don't let the days go by  
Glycerine (repeat)

I'm never alone  
I'm alone all the time  
Are you at one  
Or do you lie  
We live in a wheel  
Where everyone steals  
But when we rise it's like strawberry fields

If I treated you bad  
You bruise my face  
Couldn't love you more  
You got a beautiful taste.  
Don't let the days go by  
Could have been easier on you  
I couldn't change though I wanted to  
Should have been easier by three  
Our old friend fear and you and me.  
Glycerine (repeat)  
Don't let the days go by  
Glycerine  
Don't let the days go byyy..  
Glycerine (repeat x4)

Bad mood white again  
Bad mood white again  
And she falls around me.

I needed you more

When we wanted us less  
I could not kiss, just regress  
It might just be  
Clear simple and plain  
Well that's just fine  
That's just one of my names.  
Don't let the days go by  
Could've been easier on you you you  
Glycerine
