Always closer to the flame  
Ever closer to the blade, yeah

I am poison crazy lush  
Built these hands to lift me up  
And we are servants of our  
Formulaic ways

I'm screaming daisies  
From fourteen miles away  
I've got my own time  
Got it all today

Make up your mind  
Need some help  
Find this mind, mind, mind

Limbo this and limbo that

You were this and you were that  
Ever know that what you fear

I signed my life away  
There's a greedy fly in here  
And I fly away

Make up your mind  
Need some help  
Find this mind, mind, mind

Make up your mind  
Need some help  
Find this mind, mind, mind  
Mind, mind, mind, mind

Make up your mind  
Need some help  
Find this mind, mind, mind

Mind  
Mind  
Mind
