Love and hate, get it wrong
She cut me right back down to size
Sleep the day, let it fade
Who was there to take your place?

No one knows, never will
Mostly leave, mostly you
Do you say, do you do?
When it all comes down

'Cuz I don't wanna come back down from this cloud
It's taken me all this time to find out what I need, yeah
I don't wanna come back down from this cloud
It's taken me all this, all this, time

There is no blame, only shame
When you beg you just complain
The more I come, the more I try
All believes are paranoid

So am I, so's the future
So are you, be a creature
Do you say, do you do?
When it all comes down

'Cuz I don't wanna come back down from this cloud
It's taken me all this time to find out what I need, yeah,
yeah, yeah
I don't wanna come back down from this cloud
It's taken me all this, all this time

Love and hate, get it wrong
She cut me right back down to size
Sleep the day, let it fade
Who was there to take your place?

No one knows, never will
Mostly leave, mostly you
Do you say, do you do?
When it all comes down

'Cuz I don't wanna come back down from this cloud
It's taken me all this time to find out what I need, yeah,
yeah, yeah
I don't wanna come back down from this cloud
Taken me all this, all this time

Why did you, why did you, why did you?
Why did you, why did you?
