i found myself  
in another world  
i found myself  
alive and well

i am the vapor  
i am the gas  
you be the angel  
of everything

this is the land of the living  
this is the land of reprisal  
this is the land of the living  
the living  
the living

i lost myself  
too wide a plane  
i opened up  
i'm not the same

i am electric  
made of wire  
you be the match  
i'll be the fire

this is the land of the living  
this is the land of reprisal

this is the land of the living  
the living  
the living  
the living

in myself i try for you  
walk a thousand miles to get us through  
airways  
jet planes  
safe landings  
no branding

land

land

this is the land of the living  
the land of reprisal  
this is the land of the living  
the land of survival  
survival

land  
land

this is the land of the living  
the living  
the living  
the living
