The mind is all

The mind is all we kiss everything
We say we love it's the skin we're in
You're a retrograde, a vacancy
You're the one I love, you're the hate in me

On a lazy day on a darker breed
To have is not what it's made to be
You come alone on a mass attack
Sucking your tantric suck, fooling your one-eyed cat

We, we don't mind
We, we don't mind

We deviate our gravy brains
Set 'em on fire they're all the same
I am lionface no Sancho Panza
I'm riddled by you, I could've been better

We, we don't mind
We don't mind
We don't mind
I'm a monkey on a drip
Sucker monkey on a drip
I'm a monkey on a drip
Sucker monkey on a drip
Sucker monkey on a drip
Yo monkey, monkey, monkey
Monkey, monkey, monkey, monkey, yeah

You take these pretty photos
When will you be worthy of a good side
Where will you be when the clouds break
And all it takes just a little more than you have

We don't mind
We don't mind
We don't mind
I'm a monkey on a drip
Sucker monkey on a drip
I'm a monkey on a drip

Sucker monkey on a drip
I'm a monkey on a drip
Sucker monkey on a drip
Yo monkey, monkey, monkey
Monkey, monkey, monkey, monkey, yeah
Yo monkey, monkey, monkey
Monkey, monkey, monkey, monkey, yeah

So monkey
So monkey
So monkey
