Bush - Come Down

love and hate
get it wrong
she cut me right back down to size
sleep good day
let it fade
who was there to take your place
no one knows
never will
mostly me but mostly you
do you say
do you do
when it all comes down

'cuz I don't wanna come back down from this cloud
it's taken me all this time to find out what I need
yeah
I don't wanna come back down from this cloud
it's taken me all this
all this time

there is no blame
only shame
when you beg and just complain
the more I come
more I try
all the pleads of paranoid
so am I
so's the future
so are you
be a creature
do you say
do you do
when it all comes down

'cuz I don't wanna come back down from this cloud
it's taken me all this time to find out what I need
yeah, yeah, yeah
I don't wanna come back down from this cloud
it's taken me all this
all this time

(sit up)
(sit up)
(sit up)
(you're high)

love and hate
get it wrong
she cut me right back down to size
sleep good day
let it fade
who was there to take your place
no one knows
never will
mostly me
but mostly you
what do ya say
do ya do
when it all comes down

'cause I don't wanna come back down from this cloud
it's taken me all this time to find out what I need
yeah, yeah, yeah
I don't wanna come back down from this cloud
it's taken me all this
all this time

why do you
why do you
why do you
why do you
why do you
why do you
why do you
why do you
why do you
why do you
come down
I don't wanna come back down from this cloud
this cloud
this cloud
this cloud
this cloud
this cloud
this cloud
this cloud
this cloud
this cloud
