A bestial rite of darkness  
A virgin sacrifice  
Brings the antichrist to the world  
With chaos death and destruction, I summon

From my sacrifice the blood will flow  
This is the beginning the preparation  
Streams of evil crush the world  
It's the fall of the human race

Thunderstorms will follow you  
Firestorms will burn the kind  
Come forth and make them bleed  
Revelation of hell

To the north, to the south  
To the west, to the east  
I summon thee unholy one  
Rise from the abyss and be

Thunderstorms will follow you  
Firestorms will burn the kind  
Come forth and make them bleed  
Revelation of hell
