Aside  
Survive  
Revive  
Thrive  
Deprived  
Collide  
Demise  
Decide

Darkness all around  
Depression stays profound,  
Your light remains unfound

Undergo the pain  
That's wasted here in vain,  
Things will never be the same

Soothing face I see  
Fills the void in me,  
Disappear to drain me some more.

Reverse, repeat again  
Unlock the cage I'm in

Yearns for beyond control  
Contempt in your eyes leaves me wanting more  
Friend foe unveils from your soul  
Die

Senses take control  
Obscured forevermore  
Revive the vision of it all

Recall the memory,  
To flee anxiety,  
Off the cliff of sanity,

Ruins of my past  
Towered by the mist,  
Shadows keep roaming in my soul

Living in the past

Temptation seems to last,  
Deny your feelings, for the best

Memories I keep,  
Conceal them in so deep,  
Scarred for life I what you reap

Reverse, repeat again  
Unlock the cage I'm in

Yearns for beyond control  
Contempt in your eyes leaves me wanting more  
Friend foe unveils from your soul  
Die
