

In Blood We Trust "One Truth"

It's been a long time since I felt this lost
Possessed by darkness I can watch myself bleed
In this rain of scorn I stand alone
All I see is the black sky as I sink down into the lungs of
hell
I accept the suffering- I accept the pain and horror
This punishment- a sacrifice
But my dedication will never die
Reborn as the assassin of mankind
I curse this world which chose death-not life
Because they never understood what it's like to be
different
In a society which heads straight for self execution
There's just one place left which keeps the truth
In this I'll put my faith
It's pumping through my veins -my blood
In blood I trust
