This is my vendetta
For the downfall of this planet
As the killing begins
The blood rains from the sky
Drawn to the trace of salvation
My believes give me the strength
As I reach the end of this path
My blade's stuck into your back
Beyond the face of death
You can watch the world demise
A never ending genocide
It's the end of our time
A depraved planet
Set out to hell
Rifts of shadows
Ravaging the earth
God won't save you from this raging storm
The end of days
Is my vengeance
Beyond the face of death
You know that god won't save you
A depraved planet
Set out to hell
Rifts of shadows
Ravaging the earth
My vendetta
The downfall of your world
The end of days
Is my vengeance
A raging storm
Unleash the havoc
