### "The Ultimate Measure Of A Man"

Where do you stand?  
"the ultimate measure of a man is not where he stands  
in moments of comfort  
But where he stands (but where he stands)  
In moments of challenge and controversy"  
Is this worth dying for?  
When it comes down - down to it  
Actions speak louder than any words  
You don't have to prove your integrity  
You only have to prove yourself to yourself  
He already knows where you stand  
Where do you stand?  
Where is your allegiance?  
"if a man has not discovered something he will die for  
he's not fit to live"
