"The Friend I Should Have Been"

One moment gone
A chance I had
To tell you the truth
Now it's too late
There's no turning back
From this grave
That surrounds you
I wish I was brave
I wish I was not afraid
Of being rejected
For standing up
For what is real
All those times
I had chances

All those times
I wish I could get back
Now it's too late for me to be
The friend I'm supposed to be
The friend I should have been
I wish I could go back
I wish I told you the truth
He bled and died for you
I wish I was a better friend
