First verse

The movements for tonight bout to call the crew
gots to figure out just what we gonna do(Oh Oh, Oh Oh)
Pops is already hooked up
With touch and Que...Smooth is gonna pick us up
Dru what we goin' do we gonna party tonight

Pre-chorus

Pull up to the spot the line ups pressed against the wall
(oh oh oh oh)
Ain't no guest list no line bypass no respect at all(oh oh
oh oh)
we don't wait anticipate the bouncers at the door (oh oh
oh oh)
ask us who we be everybody tell them who we are

Chorus

Who dat, who dat ie, ie coming, coming for all to see
We gonna rock this spot, we bout to tear shit up
Who dat, who dat, ie, ie coming, coming for all to see
We gonna rock this spot, we bout to tear shit up

Second Verse

Step up in the club first thing that I see pretty little thing
and she is eyeing me(Oh, Oh)
She, she, she have a sexy body she, she, she ago
come home wit me
We got the drinks hooked up trees rolled up DJ turn it
up
that's all we need all...we need yeah

Pre-chorus

But everybody standin' round like they don't wanna
dance (oh oh oh oh)
But IE can rock the party no matter what the
circumstance(oh, oh, oh oh)
We got up on the dance floor and our song begins to
play (oh oh oh oh)
Now everybody has gathered round we hear the people
say

Chorus

Who dat, who dat ie, ie coming, coming for all to see

We gonna rock this spot, we bout to tear shit up
Who dat, who dat, ie, ie coming, coming for all to see
We gonna rock this spot, we bout to tear shit up

Bridge

All we wanna do is make you dance, dance, dance
All we wanna do is make you dance, dance
Now clap your hands....(Clap)
Now clap your hands.....(Clap)

~RAP~

We're the group from under keep making you wanna
bounce to the beat plus we look so sweet
We most incredible we indismisable the group you love
to listen to no room for defeat
Plus we make our own beats and we smoke a whole
leaf pass that joint on the left side you know is the best
side
Not the east or the west- side cuz it's the way that
northern shake grows it makes you feel it right down to
your toes
And hoes when you greed us with the sticky no time for
chatta, chatta no time for licky, licky hey you want that
ecstasy we got that remedy cuz IE came up to rip the
party and boom look who entered the room
I.N.E.S.S.E.N.C.E.

Chorus

Who dat, who dat ie, ie coming, coming for all to see
We gonna rock this spot, we bout to tear shit up
Who dat, who dat, ie, ie coming, coming for all to see
We gonna rock this spot, we bout to tear shit up
