Gimme the ring, kissed and told  
Gimme something that I missed  
A hand to hold, wild and what it seems....  
Kill the King, when love is the law  
And the we'll turn round....  
Gimme dream child  
And do you hear me call?  
On the loan and on the level  
....still on the floor  
Sing dream child  
And do you hear at all?

Hey now, hey now now, sing This Corrosion to me  
Hey now, hey now now, sing This Corrosion to me  
Hey now, hey now now, sing This Corrosion to me  
Hey now, hey now now....

Hey now, hey now now, sing This Corrosion to me  
Hey now, hey now now, sing This Corrosion to me  
Hey now, hey now now, sing This Corrosion to me  
Hey now, hey now now....

Gimme siren, child, and do you hear me?  
Gimme siren, child, and do you hear me call?  
Sing, child, of right and wrong  
Gimme things that don't last long  
Gimme siren, child, and do you hear me call?

Hey now, hey now now, sing This Corrosion to me  
Hey now, hey now now, sing This Corrosion to me  
Hey now, hey now now, sing This Corrosion to me  
Hey now, hey now now....

On daze like this  
In times like these  
I feel an animal deep inside

Heel to haunch on bended knees  
Living on if and if I tried,  
Somebody send me please....  
Dream wars and a ticket to seem

Giving out and giving in  
Selling the don't belong  
Well, what do you say  
D'you have a word for giving away?  
Got a song for me?

Hey now, hey now now, sing This Corrosion to me  
Hey now, hey now now, sing This Corrosion to me  
Hey now, hey now now, sing This Corrosion to me  
Hey now, hey now now, sing like a healing hand

I got nothing to say I ain't said before  
I bled all I can, I won't bleed no more  
I don't need no one to understand  
Why the blood run hold the highered hand  
On heart  
Hand Of God  
Floodland and Driven Apart

Run cold  
Turn  
Cold  
Burn  
Like a healing hand  
Like a healing hand  
Like a healing hand  
Like a healing hand
