(Aaron) I found you sleeping in a lonely state of mind
You wasted all your years on good times good times
Now I can't find you
So heres a question you can ask yourself

(Junior) I'm leaving all my trust in you
Now lead me where you want to
And I want to understand your ways
And feel your Grace
I'm empty yes without you
I'm nothing without you

This Feelings so much better
Than I'd
Ever Expect

I wanna know
Know Your
Your Design God
We'll find this out through what we have
Inside our Hearts

Mold my heart Lord
Make me what you want

This Feelings so much better
Than I'd
Ever Expect

I wanna know
Know Your
Your Design God

I see things so clear
Now that
You are here

My right hands embracing
Embracing what you have in store for my life
I give my all just
Just to know you love me now

I give my all
Just to
Know you
