This town is empty in the fullest ways  
It's been a while but now I'm back and nothing's  
changed  
Even how we were  
(And I was)  
Kinda hoping that I'd find you there  
Was kinda hoping that the smoke had finally cleared  
But the fire still burns strong

And we fell harder again  
Giving away to time  
Like they said  
And like they said  
Over again  
You'd give it away in time  
And you did, and you did

This confrontation  
Sees us parting ways  
We built a structure out of lies and set it sail  
And wonder why it sank

And we fell harder again  
Giving away to time  
Like they said  
And like they said  
Over again  
You'd give it away in time  
And you did, and you did

It's too dark  
I think I'm lost now  
I thought you'd seen this coming  
It's too far  
I think I'll stop now  
I thought you'd seen this coming

And we fell harder again  
Giving away to time  
Like they said  
And like they said  
Over again

You'd give it away in time  
And you did, and you did

And I regret over again  
You told me you'd change this time  
And never quit  
But you did
