

In Flames

"Borders And Shading"

Visit "[Borders And Shading](#)" on MotoLyrics.com

Take a knife and carve it in
Want to see your faults
As a part of your pretty skin
Everyone has a tragedy
I want you to wear yours in pain

Oblivion can no longer shade you
Reminder by the tattered tissue

Bleak silence
Errors stigmatised in you
A weak worn out friend
There's nothing left for me

Again and again
Your face reminds me of a bleak future
Despite the absence of hope
I give you this sacrifice

You're so far
Behind being my hero
Drift away
Save yourself
Don't end up zero
Cause IÃ¢â€™ll look the other way

I will crawl into your vault
Pass snakes and old rotten thoughts
Leaving a hotbed of virulence
Your world inside slowly redesigned

Again and again
Your face reminds me of a bleak future
Despite the absence of hope
I give you this sacrifice

You're so far
Behind being my hero
Drift away
Save yourself
Don't end up zero
Cause IÃ¢â€™ll look the other way

Again and again
Your face reminds me of a bleak future
Despite the absence of hope
I give you this sacrifice

You're so far
Behind being my hero
Drift away
Save yourself
Don't end up zero
Cause IÃ¢â€Œ™ ll look the other way

You're so far
Behind being my hero
Drift away
Save yourself
Don't end up zero
Cause IÃ¢â€Œ™ ll look the other way.
