Do you feel anything at all?  
Do you hear steps at the door?  
Do you reckon the smell of?  
It's life, the dark death binds you

Frightened by your own smell  
Bitterness will run you through

Silent, screaming  
Turning, twisting the alphabet  
Frenetic eyes  
Awaiting the answer  
Splinters of a poem  
Fragments of what you used to be  
Habitual and gullible  
Run down memoirs is all that's left

Do you wish to sleep?  
Do you aim for the shadow?  
Do you feel all infected?  
It's life, the dark death binds you

Frightened by your own smell  
Bitterness will run you through

Silent screaming  
Turning, twisting the alphabet  
Frenetic eyes  
Awaiting the answer  
Splinters of a poem  
Fragments of what you used to be  
Habitual and gullible  
Run down memoirs is all that's left

It's the cowardice that pulls you under  
And takes you to the end, where it begins  
Release the world is waiting on your arrival  
Close your eyes, as we witness another bullet ride

Do you know about atrocity?  
Do you know that everybody's gone?  
Do you know that you're on your own?

It's life, the dark death binds you

Frightened by your own smell  
Bitterness will run you 'round

Silent, screaming  
Turning, twisting the alphabet  
Frenetic eyes  
Awaiting the answer  
Splinters of a poem  
Fragments of what you used to be  
Habitual and gullible  
Run down memoirs is all that's left
