

In Flames "Crawl Through Knives"

The black hole
Forever mine
I need the fear
Push me out
Ohh be brave
Show me signs
Should I feel shame for the questions that I have?

If you could be
The things I need
(I'll crawl through knives an inch per tear)
These knees, they bleed for you
(Let the colour persuade the hate that you fear)

Feed the lie
Force the reason
Leave me in doubt
Need some motivation

It's in my hands
The sky, so bright
It's burning
It's for me to decide
If flames will reach heaven tonight
It's in my hands

Nailed to the floor
Paralyzed
Emotions drifting
Searching the new

If you could be
The things I need
(I'll crawl through knives
An inch per tear)
These knees, they bleed for you
(Let the colour persuade the hate
That you fear)

It's in my hands
The sky, so bright
It's burning

It's for me to decide
If flames will reach heaven tonight

It's in my hands
The sky, so bright
It's burning
It's for me to decide
If flames will reach heaven tonight

It's in my hands
The sky, so bright
It's burning
It's for me to decide
If flames will reach heaven tonight

It's in my hands
The sky, so bright
It's burning
It's for me to decide
If flames will reach heaven tonight.
