[Verse:]

Will we find a solution  
When we add all the numbers?  
Like they are supposed to be?  
But no is close... Start all over!

If we fail our expectations  
We will fall into the deepest void  
Is there a limit to how many times  
We will dust ourselves off?

[Chorus:]

The mystery of time  
Listen to me, carefully  
The mystery of time  
It's you and me  
That's all we need

[Verse:]

Would you choose supremacy  
If it led to isolation?  
Could you handle the solitude?  
Would you still prefer the throne?
