Lights are dim, my tearful windows  
Through which no emotions pass  
Starvation of senses claws my soul

Answer me, are these walls my only shelter?  
From the bleeding atmosphere  
Take me from this land

I deliver thee from this agony  
A storm to cleanse thee  
Mine is the right to be  
Maelstrom of the everlost

This is the curse of [Incomprehensible]

All is dark, all but one aspect of life  
To be shackled in a shell, so misleading  
These are the chains bestowed upon me  
Let me pass into the darkened midnight  
There is no light

The sounds, faceless lights, hands tear apart  
Dissolve possessions you alone can take my soul  
Take flight
