Do you see what I see?
Truth is an offense
Your silence
For your confidence

Do you hear what I hear?
Doors are slamming shut
Limit your imagination
Keep you where they must

Do you feel what I feel?
Bittering distress
Who decides
What you express?

Do you take what I take?
Endurance is the word
Moving back instead of forward
Seems to me absurd

Doesn't matter what you see
Or into it what you read
You can do it your own way
If it's done just how I say

Independence limited
Freedom of choice is made for you my friend
Freedom of speech is words that they will bend
Freedom with their exception

Do you fear what I fear?
Living properly
Truths to you
Are lies to me

Do you choose what I choose?
More alternatives
Energy derives from both
The plus and negative

Do you need what I need?
Boundaries overthrown

Look inside
To each his own

Do you trust what I trust?
Me, myself and I
Penetrate the smoke screen
I see through the selfish lie

Doesn't matter what you see
Or into it what you read
You can do it your own way
If it's done just how I say

Independence limited
Freedom of choice is made for you my friend
Freedom of speech is words that they will bend
Freedom with their exception

Do you know what I know?
Your money and your wealth
You're silent just
To hear yourself

Do you want what I want?
Desire not a thing
I hunger after independence
Lengthen freedom's ring

Doesn't matter what you see
Or into it what you read
You can do it your own way
If it's done just how I say

Independence limited
Freedom of choice is made for you my friend
Freedom of speech is words that they will bend
Freedom no longer frees you

Doesn't matter what you see
Or into it what you read
You can do it your own way
If it's done just how I say
