Mirror mirror,
How far will I go?
Despite the foundation,
I am falling.
Sweet reflection,
Will you save a place for me?

Where am I heading?
Could you grant me a haven?
For what I am punished,
Could I ever repent?

Mother Nature, I'm wide open,
Waiting for you to move me.

Don't keep it from me!
This is a free fall!
This is a free fall!

I never seem to understand.
The time, the place, and who I am.
Define a way to stay alive,
It's like I'm living a lie.

Father time, every time I stop and feel,
You're there to tell me I'm already late.
Don't keep it from me!
This is a free fall!

I never seem to understand.
The time, the place, and who I am.
It's like I'm living a lie.

I never seem to understand.
The time, the place, and who I am.
Define a way to stay alive,
It's like I'm living a lie.

I never seem to understand.
The time, the place, and who I am.
Define a way to stay alive,
It's like I'm living a lie.
