I'm sellin' heavenly sketches
A world out of my mind
Ready to explode in purity
To fill the holes inside

An ever movin' stream
With glowin' rays of light
Emotions tied to past lies
And I know I should let go

Tamed with confidence of a brighter future
Now I found a flame in the burnt out ashes
Burn out, burn out

Fueled these new shores burn
Dark past lies cold
The shadow, my sweet shadow
To you I look no more

Another dawn collapses
Do I need to be reminded?
A glimpse of my safe home
A path to hide all anger

I found a flame in the burnt out ashes
Burn out, burn out

Fueled these new shores burn
Dark past lies cold
The shadow, my sweet shadow
To you I look no more

In circles I catch
A torch carried by the immortal
From depths that I created
In vain echoes fade

Burn out

Fueled these new shores burn
Dark past lies cold
The shadow, my sweet shadow

To you I look no more

Fueled these new shores burn
Dark past lies cold
The shadow, my sweet shadow
To you I look no more

Fueled
Dark past lies cold
To you I look no
Fueled
