I said a hip-hop-ta-pop the hibby to the hip-hip-hop  
a you dont stop a rockin' to the greenside bump  
Up jump the boogie to the rythim of the L.S.O.B  
Now what you hear is not a test, well I be busin' to this  
beat  
See its me and my dog and the homie Kid Frost,  
gonna try to take your freak, haha  
See I am ODM and I'd like to save you folk  
To the black and the white the red and the brown  
and the hynas that are good to go  
But first, I gotta bang-bang-da-boogie to the boogie  
say up jump the boogie to the gangbang boogie lets  
rock and you dont stop  
Rock the rythim that will make your cherry pop  
Well so far you've herd my voice but I braught two  
friends along (zup dogs)  
And next up to bust is my homie Kid Frost, Go ahead  
Frost lace this song

Well its on and its on and on-on-on-on  
Say the beat dont stop until the break of dawn  
Now I'm a P-L-A a Y-E-R a G with a double E  
See a we go by the unforgettable clique of Lighter  
Shade of Brown  
you see noooooowwww  
My name is known all over the world  
by all the true down players and the fly ass girls  
And we going down in history  
as the baddest playas you ever did see  
As you chillin yo highs and you Banging your lows  
The feet starts moving down to your toes  
You start snappin' your fingers and moving your feet  
Your body starts rocking to the shoresine beat  
I said jam you start movin' your feet  
I said jam Right out of your seat  
Now just throw your hands high in the air  
and wave them all around like you dont care  
Keep rocking to the beat withought no care  
And make sure you come sharp baby for the affair  
Now I'm not as tall as the rest of the gang  
But I bang to the beat just the same  
I got a playas face, and a pair brown eyes  
all I'm here to do baby is just hypnotise  
Singing on and on-on and on-on  
Say the beat dont stop until the break of dawn  
I said a 1-2-3-4 a come on y'all a get on the floor  
Well come alive y'all a gimme what you  
Got cause I'm guranteed to make you roc.

[Mellow Man Ace]

Well I was coming home late one dark afternoon  
reporter stopped me for an interview  
She said she's heard stories she heard fables  
that I'm all drugged out still and turn tables  
This fly reporter I did adore  
I got smooth on that ass and popped the car door  
She said damn Mellow Man I'm in love with you  
all the stories I've heard they couldn't of been true  
By the way sugar whats your name  
She said I go by the name ExoticElaine  
And you can be my boo kid you surely

can just let me dump my boyfriend the local bud man  
I said he's a Busta I do suppose  
puttin that meth all in your nose  
He may be very paid or even cute  
but his raps dead Wack you should give him the boot  
I said you need Mellow Man I got finesse  
I got my name in old english tatted on my chest  
He may be able to slang all through the night  
but he can't rock a party through the early light  
He may satisfy you with his little worm,  
but I'm gonna turn that ass out when I get my turn  
Im goin'do it, I'm goin' do it, I'm goin' do it do it do it  
Cause I'm here and I'm there  
cause I'm Mellow Man Ace and I'm everywhere  
So just shock y'all a ticky-tak y'all  
you dont stooopp, you keep on.  
(yes yes yall)  
(yes yes yall)
