Spanning, further deeper  
I know you're out to try me  
I'm not in this to be a slave  
Push the dirt, make me feel  
Locate what swallows life  
Night bird to build my world

Then I close my eyes  
And then I close my eyes

Judge me now  
Used to be afraid  
To let it show, bow down  
A king in my own mind  
Everything's in place  
So much brighter from today

Drown the monster  
Make all bad dreams go away  
Whatever it takes  
To keep running free

Open scars  
The quiet place  
The bridges fall to the ground  
And you say you sacrificed

Then I close my eyes  
And then I close my eyes

Judge me now  
Used to be afraid  
To let it show, bow down  
A king in my own mind  
Everything's in place  
So much brighter from today  
A king in my own mind

Judge me now  
The king in my own mind  
Judge me now  
The king in my own mind

Judge me now  
Used to be afraid  
To let it show, bow down  
A king in my own mind  
Everything's in place  
So much better from today  
A king in my own mind
