My tears fall like rain
From the long lasting pain
When I look into your eyes
My heart just dies

Beauty divine
I hope you'll be mine
Open your arms
For all time

All dressed in white
Bringer of light
Spend time with me here
All through the night

Beauty divine
Your tears taste like wine
Come to me, here
For all time

My spine shivers with the touch of your lips
My pale skin turns red when we kiss
Piercing your nails deep in my back
As I slowly kiss your ivory neck

I started to cry after hours of joyful sin
My tears turned to roses as they embraced your skin
I gathered them to a bouquet of most beautiful flowers
A bouquet of secret and ancient powers

My amber heart started to glow
As I died really slow

My tears fall like rain
From the long lasting pain
When I look into your eyes
My heart just dies

Beauty divine
I hope you'll be mine
Open your arms
For all time

All dressed in white
Bringer of light
Come to me, here
All through the night

Beauty divine
Your tears taste like wine
Come to me, here
For all time
