There's someone in the attic,
Building a strange machine.

Never really seen him,
But I think he works all day.

Blinded by the world outside,
I stay inside.
Hardly know my name,
But it's getting better by time.

I saw something in the mirror,
Someone's watching me.

If I hide in the attic,
They will never get to me.

Found some rope on the floor.
I have to build a trap.

So I start on my machine,
I'm never to be seen.
