It's spinning, further deeper
I know you're out to try me
I'm not in this to be a slave
Push the dirt, make me feel
Locate what swallows life
Night bird you build my world

And then I close my eyes
And then I close my eyes!

Judge me now
Used to be afraid to let it show, bow down!
A king in my own mind
Everything's in place
So much better from today

Drown the monsters
Make all bad dreams go away
Whatever it takes to keep your hands free
Open scars
The quiet place
All the bridges fall to the ground
And you say you've sacrificed!

And then I close my eyes
And then I close my eyes!

Judge me now
Used to be afraid to let it show, bow down, bow down
A king in my own mind
Everything's in place
So much better from today
A king in my own mind

Judge me now
A king in my own mind!!!
Judge me now
A king in my own mind!!!

Judge me now
Used to be afraid to let it show, bow down, bow down
A king in my own mind

Everything's in place
So much better from today
A king in my own mind
