In Flames
"Vanishing Light"

All vanishing light
The end of a compromise
In fury, in rage
A dream will be madness

Behind enemy lines
Learn to survive
And find a way to clone
Make friends and a place to call home

Take a picture and jump before we crash
Take a picture and jump before we crash

Slide away,
Learn your ways and fire when ready
This is a race to no mans land
But who knows the direction

You're on the easy route
Money up front
Live with no doubt

Take a picture and jump before we crash
Take a picture and jump before we crash

Slide away,
Learn your ways and fire when ready
This is a race to no mans land
But who knows the direction

Its so, so sad
But pay no mind

Take a picture and jump before we crash
Take a picture and jump before we crash

Slide away,
Learn your ways and fire when ready
This is a race to no mans land
But who knows the direction
