The 9 to 5 is done,  
Your going home to see him,  
Wonder if you should,  
come and see me.

Come and see me,  
Run away,  
Come and blow me.... away.

Come on out to the City,  
See the City Lights.  
Come on out to the City,  
Come and see my show, see my show....tonight.

Across the crowded room,  
You are the girl in blue,  
Told you all the things that i know,  
I wanna do to you.

Come and see me  
Run away  
Come and blow me.... away.

Come on out to the City,  
See the City Lights.  
Come on out to the City,  
Come and see my show, see my show....tonight.

Now your here with me,  
Somebody bolt the door,  
'Cause I wanna see something that,  
HE'S NEVER SEEN BEFORE!.

Come on out to the City,  
See the City Lights.  
Come on out to the City,  
Come and see my show, see my show....tonight.

Come on out to the City,  
See the City Lights.  
Come on out to the City,  
Come and see my show, see my show....tonight.
